Welcome Address

Dear friends and colleagues,

It is a great pleasure for us to announce the organization of the **PSOGI International Symposium on Advanced Ovarian Cancer** which will be held in **Athens, Greece** on **April 11th-13th, 2019**.

Ovarian cancer remains the most lethal gynecological cancer worldwide. The cover stone of the management is extensive meticulous surgery and sustaining chemotherapy on the other hand in the first three years after initial treatment 50-40% of the cases are recurrent do to chemoresistance, tumor biology and residual disease from inappropriate operation.

The PSOGI Consensus Symposium is a highly specialized symposium that promises a stimulating, multi-disciplinary program aimed at providing the latest ideas and information on management of health of patients suffering with ovarian cancer.

PSOGI Consensus Symposium is aimed at surgeons, gynecologist - oncologists, medical oncologists, clinicians, nurses, researchers, and allied health professionals.

We sincerely invite pharmaceutical and technology companies, as well as medical publishers and providers of patients' services to support this dynamic Congress.

Within this sponsorship brochure we hope that you will find your preferred sponsorship, please keep in mind that we are open to any suggestion you may have. We are looking forward to becoming your partner.

We are looking forward to welcoming you to Athens!!!
